

# ThermaLED Lighthouse Post Top

## Nautical Series, ECPB10

The Lighthouse ECPB10Q Post Top Luminaire provides walkway and area lighting and complements our B10 Bollard. Opal LumaLens diffusers offers excellently controlled, uniform lighting. Clear Lens with white cone reflector provide wide spread distribution. Typical applications include pedestrian areas, walkways, and landscape accents.

- Energy savings of 80% or more versus comparable metal halide luminaires
- Opal LumaLens for soft lighting with uplight component or clear lens with white cone for increased efficiency
- Type V optical distribution
- Designed to match our ECB10 Lighthouse Bollard
- Vandal-resistant, UV-stabilized opal or clear polycarbonate lens protects internal components
- 10-28 watts, ThermaLED arrays with a range of 500-2,800 lumens, to easily replace legacy 70-100 watt HID systems
- Available in 3000K, 4000K and 5000K CCT (others available by special order)

Catalog Number: ECPB10Q1X19U\*K◆
